

Trinity Eco Church

Are we composting our food waste or not yet?

We know there are many in our community compost their waste food, and that is good.

Commencing this autumn there is encouragement for us all to compost our food waste via Charnwood Borough Council, commencing in November.

The first phase will include the vast majority of properties in the borough and the service will start week commencing **Monday, 2 November 2026**.

Collections will take place on a weekly basis on the same day as residents' green and black bin collections from week beginning **Monday 2 November 2026**.

Before the service is rolled out in November, most households will receive two caddies to store food waste:

- A seven-litre indoor caddy to collect food waste in your kitchen
- A 23-litre caddy to keep outside.

Both caddies have a lockable handle to prevent pests getting in.

A Rocha UK's Easy Eco Tips 2026 Calendar

SEPTEMBER

The Season of Creation (1 September-4 October) is dedicated to God as the Creator and sustainer Of all life.

During this period of the church calendar, many celebrate Harvest. Thanking God for his provision through the land and the food that it produces,
